8. Written Communication – March 28, 2019, communication from Tammy Bohannon requesting Lien relief for the owner of property located at 1504 Sonia Street.

| Recommendation: That the Board review and consider the Lien relief request made by Tammy Bohannon, realtor for the owner (Northern Horizons, LLC, and Wayne Wheatley), against 1504 Sonia Street, which Lien was generated from property located at 2115 Herman Street. |

On August 21, 2014, the Board amended the "Guidelines for Relief from Environmental (Code) Enforcement Special Magistrate Liens" policy, Section III, H2. Staff was instructed to review all requests for forgiveness of Environmental (Code) Enforcement Liens to determine if the request met the criteria for forgiveness and allowing the County Administrator to act on the Board's behalf if set criteria are met.

After reviewing the request for forgiveness of liens, staff made the determination that the request does not fall within the criteria that would allow the County Administrator to act on the Board's behalf and grant relief, in accordance with the Board's Policy, "Guidelines for Relief from Environmental (Code) Enforcement Special Magistrate Liens" Policy, Section III, H2.

Ms. Bohannon submitted a written request dated March 28, 2019, asking for Lien relief. The property is currently owned by the owner/violator of both properties located at 1504 Sonia Street and 2115 Herman Street, Northern Horizons, LLC and Wayne Wheatley.

18. Recommendation: That the Board approve the Application for Tax Deed List for any of the 96 properties having County-held Tax Certificates set [to] expire on June 1, 2019, that remain unpaid at the time of application. (See provided list.) The Tax Deed Application fee is $742 per parcel. The County must deposit fees with the Tax Collector, in the amount of $275 per parcel, and with the Clerk of the Circuit Court, in the amount of $467 per parcel. (Continued on Page 20)
Tax Certificates are sold annually, through an online Tax Certificate sale, for delinquent real estate taxes. If taxes remain unpaid, the Certificate holder may file a Tax Deed Application with the Tax Collector's Office two years after the date of the delinquency. If not redeemed, the property may be sold at a public auction conducted by the Clerk of the Circuit Court. Florida Statute 197.502(3) provides that the County in which the property described in the Certificate is located shall apply for a tax deed on all County-held Certificates on property valued at $5,000 or more on the Property Appraiser's most recent assessment roll, and may apply for tax deeds on Certificates on property valued at less than $5,000 on the Property Appraiser's most recent assessment roll. There are seven of the subject properties valued at $5,000 or above, and the remainder are valued below $5,000. The County has held a Tax Certificate on each of these parcels for almost seven years, and the Certificates are set to expire on June 1, 2019. This is the County's last chance to attempt to collect on these delinquent taxes.
