DATE: March 26, 2010

RE: Status of RFP process

On behalf of the Escambia County Investment Advisory Committee (ECIAC), the Clerk & Comptroller would like to thank each of the proposers for their response to the RFP.

The ECIAC met today to discuss and evaluate the proposals received on the above-referenced RFP. The committee selected the following top three firms to present further information and answer questions at the next regularly scheduled Committee meeting on April 23, 2010. These firms are presented alphabetically, without indication of rank:

Cutwater Asset Management
PFM Asset Management
RBC Global Wealth Management

These firms will be contacted directly to make arrangements for a presentation either via teleconference or in person.

Thank you again for your interest in the Investment Management Services RFP.
